Members of the ACTRA Fraternal Benefit Society (AFBS) may be eligible for exclusive or preferred rates on certain banking products, including lending services and GIC deposits, offered by Creative Arts Financial, a division of FirstOntario Credit Union (CAF). Eligibility for any preferred rate, product or offer is subject to CAF's standard credit adjudication, membership requirements, and product term and conditions, which may change at any time without notice.

AFBS members may receive preferred rates on selected lending products as well as enhanced returns on GIC deposits, in addition to any other rate advantages they may individually qualify for.

Members will be required to confirm their AFBS membership when opening an account or applying for a product. Individuals are responsible for notifying CAF if their AFBS membership status changes. Individuals who are no longer AFBS members will no longer be eligible for preferred pricing, and standard posted rates will apply upon renewal or product maturity.

AFBS may receive financial consideration from CAF in connection with making the CAF Member Banking Program available to its members and endorsing Creative Arts Financial as a preferred financial services provider. Any such consideration is used by AFBS to support programs and services for its membership.

Nothing on this website constitutes an offer, commitment, or advice from CAF. All products are offered solely by CAF and are subject to applicable regulatory requirements and CAF's final approval. AFBS does not provide banking services and is not responsible for CAF's products, decisions, or operations.
